## AMENDMENT

Dear Sir:

Please amend the above identified application as follows:

IN THE SPECIFICATION

Please replace the paragraph beginning at page 12, line 17,  
with the following rewritten paragraph:

A1  
If the miscellaneous field was not changed but another  
denomination field was changed, the method goes to block 257  
where the field is marked as changed. The method will not use  
this field when determining further denomination selections. At  
block 259 all lower denomination fields are set to zero unless  
they had also been marked as changed by the teller in block 257  
above. In block 261, the starting denomination is set as the
